

"Wednesday Night Fall League"

Fall 2025 - Nine Hole / Paxon Hollow

Qualification

All league players will participate in a seven week qualification period.

The five best net scores (gross minus handicap) out of the seven week qualification period will be accumulated.

The top 28 net accumulated scores will be eligible for the 'Championship Playoffs'. Remaining players will continue in a 'Runner-up' Playoff.

Championship Playoff:

The top 28 net accumulated scores will qualify and enter into a 5 week single elimination match-play championship playoff. 1st two positions will have a Bye in week one of the playoffs.

The remainder 26 players will play single elimination match play, resulting in 13 players to proceed to the 2nd week. During the 2nd week the two Bye players will enter along with one wild card from the 1st week loser group, resulting in a total of 16 players competing. They will continue for the next 4 weeks as follows: 16 to 8 to 4 to 2(championship pair match play).

Losers not winning the wild card spot, in week 2, will continue for weekly prizes only.

Runner-up Playoff:

The remaining players not eligible for the championship playoff will participate in a concurrent 5 week match-play single elimination 'Runner-up' playoff.

Losers will continue for weekly prizes only.
